## **Antennas Are the Program at October HARC Meeting**

The program for the October Heart of America Radio Club meeting will be provided by John Ford, ABØØ who will talk about his collection of antennas.

The October 15th meeting of the Heart of America Radio Club will held at the American Red Cross office at 6601 Winchester, Kansas City, MO 64133 at 7:00 p.m. Please try to attend the meeting if you can.

There is more than one way to the location. Here is one of the routes. From Sixty-third Street, turn south on Winchester Avenue at the traffic signal. Drive up a long hill for three blocks. You will pass the Spectrum office on the right. The next building on the right is 6601 Winchester Avenue. Parking space surrounds the building, but park in front.

The front door of the building will be locked at the time of the meeting. Before the meeting you will be greeted at the door. If you arrive after 7 o'clock, call for WØRR on 146.940 MHz. simplex, because reaching the 94 repeater using an HT from inside the building is difficult. You might also use 94 simplex to obtain talk-in directions if you are close by.

It is also suggested to try texting someone already inside the building to gain admittance.
